

Congress of the United States
Washington, DC 20515

October 31, 2013

Mr. Shawn M. Gavin
Regional Administrator
United States EPA Region 3
Air Protection Division
1650 Arch Street (3APOO)
Philadelphia, PA 19103-2029

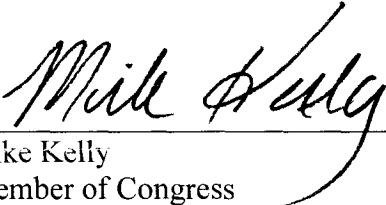

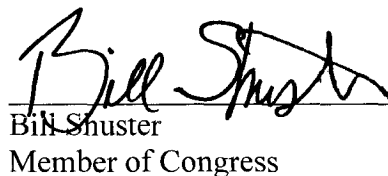

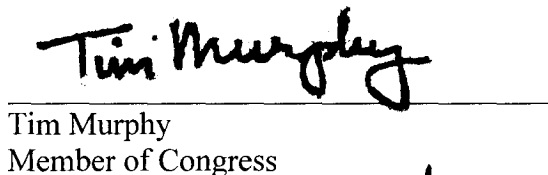

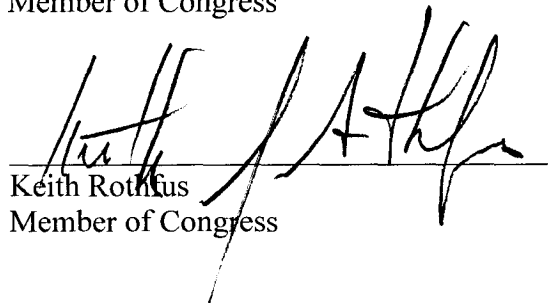

Dear Mr. Gavin:

We write you today regarding the Environmental Protection Agency's (EPA) November 8, 2013, listening session in Philadelphia, Pennsylvania. We appreciate the EPA's attempt to solicit ideas and input from the public and stakeholders about the best approaches to reducing carbon pollution under the Clean Air Act. As you know, the EPA has opted to hold our region's session in Philadelphia, a six hour drive from a primary constituency, the communities that rely upon mining for employment and affordable electricity.

We respectfully request that the EPA takes the necessary steps to broadcast the November 8th listening session in both the Philadelphia and the Pittsburgh regions. Including the Pittsburgh region will ensure the EPA's listening session achieves its goal of receiving critical input from key stakeholders.

We appreciate your prompt attention to this matter. If you have any questions regarding this request, please contact Matthew Stroia in Rep. Kelly's office at (202) 225-5406.

Sincerely,

Mike Kelly
